Comm-Works Named to Fast 50
Company ranks 13th on Minneapolis/St. Paul Business Journal's
fastest-growing companies list

MINNEAPOLIS– October 27, 2009 - Comm-Works LLC, a single-source provider of technology and infrastructure services and solutions for corporations and government agencies, announced that it had been named by [The Minneapolis/St. Paul Business Journal](#) as one of the top 50 fastest-growing, privately held companies in the 11 county metropolitan Twin Cities area. This is the seventh year that Comm-Works has earned the distinction.

“Our ability to grow in these difficult economic conditions is a testament to our exceptional employees and our successful business model,” said Al Lampe, chief executive officer of Comm-Works. “As we move into 2010 we will continue to focus our efforts and business strategies on customer retention, operational efficiencies and new offerings to gain market share.”

With 2008 revenues of \$130 million, Comm-Works has achieved profitability every quarter since its inception in 1995. In addition to inclusion in the Business Journal's “Fast 50” list, earlier this year the company ranked on the Inc. 5000 Fastest Growing Private Companies list and was recognized by Everything Channel's VARBusiness magazine as one of North America's top technology integrators. The *Minneapolis/St. Paul Business Journal* has also ranked Comm-Works as one of the Top 25 Telecom Providers in Minnesota for the past seven years.
