Comm-Works Named to Inc. 5000
Company ranks 1,946th on the Inc. 5000 fastest-growing companies list with three-year sales growth of 163.9%

MINNEAPOLIS— Minn., August 19, 2009 - Comm-Works LLC, (www.comm-works.com) a single-source provider of technology and infrastructure services and solutions for corporations and government agencies, announced that for the third consecutive year it has ranked on the [Inc. 5000](#) Fastest Growing Private Companies list. Comm-Works has been ranked no. 1,946 overall and no. 32 of the Top 50 Companies in Minneapolis-St. Paul-Bloomington, MN-WI region. The list is the most comprehensive look at the most important segment of the economy – America's independent-minded entrepreneurs. Taken as a whole, these companies represent the backbone of the U.S. economy.

Serving over 200,000 customer locations across North America and expanding worldwide, Comm-Works strives to deliver the highest level of service for its customers. "We are honored to have been chosen for the prestigious Inc. 5000 list for the third year in a row," said Comm-Works' founder and CEO, Al Lampe, "Our growth is a direct result of the hard work and persistence by all of our employees to continually focus on bringing value to our customers."

Comm-Works has achieved profitability every quarter since its inception in 1995 and with a three-year sales growth of 163.9%, is a leader in the IT Services industry. The company has twice been named by *Inc.* to the *Inc. 500* list and has ranked on the *Inc. 5000* list for three consecutive years. Deloitte & Touche has also recognized Comm-Works as both a Deloitte Technology Fast 500 company and as a Deloitte Minnesota Technology Fast 50 organization. The *Minneapolis/St. Paul Business Journal* has also ranked Comm-Works as one of the Top 25 Telecom Providers in Minnesota every year since 2002.

Methodology

The *Inc. 5000* is ranked according to percentage revenue growth from 2005 through 2008. To qualify, companies must have been founded and generating revenue by the first week of 2005, and therefore able to show four full calendar years of sales. Additionally, they have to be U.S.-based, privately held, for profit, and independent -- not subsidiaries or divisions of other companies -- as of December 31, 2008. Revenue in 2005 must have been at least \$200,000, and revenue in 2008 must have been at least \$2 million. The top 10 percent of companies on the list comprise the *Inc. 500*, now in its 28th year.
