Comm-Works Promotes David Miller to President and COO

MINNEAPOLIS– June 2, 2010 – Comm-Works LLC, a global provider of technology and infrastructure services announced today that [David Miller](#) has been named President of the company in addition to his existing post as Chief Operating Officer. Miller will now be responsible improving efficiency and developing strategies within the global areas of sales, marketing, engineering and operations.

"David displayed exceptional leadership in managing the company's strategic and operational goals on a global scale," said [Al Lampe](#), CEO of Comm-Works. "Under his strong leadership Comm-Works enhanced its global business model and we are confident that Mr. Miller's experience and expertise will continue to be a driving force behind our company's success."

"I look forward to building on Comm-Works' successful foundation and continuing to pursue new opportunities to enhance the business and serve our customers," said Miller. "I am excited to lead the company into the next phase of growth where I can apply my skills and experience to the unique challenges and opportunities that exist within our industry."

Before joining Comm-Works, Mr. Miller served as President-U.S. Rental Operations at G&K Services, Inc., in Minnetonka, MN, with revenues in fiscal 2008 of \$1,002.4 million. Previously, Miller served as Chief Operating Officer for Strategic Equipment & Supply Corporation and in other key leadership roles at LG Sky Chefs and Northwest Airlines.
