Comm-Works Named to 2010 VAR500 List
Company Ranked 349th on List of Largest IT Solutions Providers

MINNEAPOLIS– May 26, 2010 – Comm-Works Holdings, LLC a global provider of technology and infrastructure services, announced today that it has been recognized by Everything Channel as one of North America's top technology integrators. Comm-Works placed number 349 on the 2010 VAR500 -- the definitive list of the largest solution providers in the North American IT reseller channel.

"Comm-Works is pleased to be recognized once again by Everything Channel for our consistent growth," said [Al Lampe](#), chief executive officer for Comm-Works. "With our [Total Portfolio](#) of infrastructure, communications, security and energy management services in addition to our technical expertise and responsive service, Comm-Works growth is fueled by our ability to provide a single-source solution for our customers."

"The VAR 500 is the who's who of the solution provider community..." said Kelley Damore, VP, Editorial Director, Everything Channel. Collectively the VAR500 have generated more than \$500B in sales in 2009. Even more importantly they solve customers' biggest IT business problems through product integration, training, consulting and services. In companies large and small, the VAR500 are considered integration experts, trusted business advisors and invaluable partners.

The VAR500 ranks the leading revenue producers among solution provider organizations in North America. As a VAR500 organization, Comm-Works plays a critical role in providing the proper IT strategies companies need to help drive their business forward.
