**Comm-Works Named to 2009 VAR 500 List**  
*Company Ranked 316<sup>th</sup> on List of Largest IT Solutions Providers*

**MINNEAPOLIS**– June 5, 2009 – Comm-Works Holdings, LLC a single-source provider of technology and infrastructure services and solutions for corporations and government agencies, announced today that it has been recognized by Everything Channel's VARBusiness magazine as one of North America's top technology integrators. Comm-Works placed number 316 in the 15th annual VAR 500 ranking.

"Comm-Works is pleased to be recognized by VARBusiness for our consistent growth," said Al Lampe, chief executive officer for Comm-Works. "Our ability to continuously adapt and focus on our clients' needs has helped us to become a leader in the IT solutions provider space."

The VAR 500 is the definitive listing of the largest IT solution providers, system integrators, IT consultants and services companies with headquarters in North America. Rankings were determined by 2008 fiscal year gross revenue generated by the sale of IT goods (hardware and software), software licensing, customer software sales, professional services and managed services.

As a VAR 500 company, Comm-Works is included as a leading revenue producer among approximately 90,000 solution provider organizations in the nation and helps account for \$597 billion in sales of information technology (IT) services and products.
